

State Accountability Campus-Level Interventions

Please Note:

- Ongoing negotiations with USDE, regarding the ESEA flexibility waiver, could result in additional requirements based on missed system safeguards.
- Campuses that met standard but were academically unacceptable in 2011 have intervention requirements based on TEC §39.108(e)(1). Commissioner Williams has determined that the continued assignment of the Campus Intervention Team (CIT) is no longer required.

* While TEC §11.253 requires all campuses to develop a comprehensive campus improvement plan, the targeted improvement plan required by TEC §39.106 is specifically designed to address areas of low performance identified by the state accountability rating system.
